This is no ordinary competition - UKYD is the only one where every participant learns directly from top professionals every step of the way.

A maximum of 100 dancers will be selected to attend each workshop, making this an exclusive opportunity to work closely with an **esteemed choreographer or professional dancer**.

You'll learn and perform **repertoire set pieces** designed to challenge and inspire your growth.

Come prepared in simple, comfortable practice attire, allowing you to focus on what truly matters - your technique and artistry. These sessions are all about maximising your potential and taking your skills to the next level.
